HOW TO USE THE CENTREX SYSTEM

OFF CAMPUS LOCAL CALL:

Listen to the dial tone, dial "9" and immediately dial the desired 7-digit number. (No waiting for a second dial tone).

INCOMING CALLS:

Off-Campus callers dial the 7-digit number of your assigned telephone. Example: "454" and the assigned number.

TRANSFERRING INCOMING CALLS:

Depress the switchhook one time momentarily (automatically puts calling party on hold). Listen for 3 "zip" tones. Dial the 4-digit number to which call is being

transferred and when called station answers announce that you are transferring a call, depress the switchhook once again to connect all three parties. You may either hang up or continue a three way conversation. (Note: Only one of the three parties may be outside the Centrex system.) Any of the three parties may hang up at any time without disturbing the call. To transfer a call back to the Centrex operator, depress the switchhook once, listen for three "zip" tones, then dial "0" and depress switchhook again, then give operator details of call. To make a conference call, dial 110 and give operator details of the call.

ZERO PLUS AND ONE-PLUS DIALING AND REGULAR STATION-TO-STATION CALLS:

Dial "9" plus "1" plus the area code (if different from yours), plus the number, then give operator details of call.
